Re: *In Re: Terrorist Attacks on September 11, 2001*, 03 MDL 1570 (GBD) (SN)

Dear Judge Netburn:

The Plaintiffs and Sudan, together with the Government, submit this request to address the Court's directions identified in the Order at ECF No. 10999.

The parties and the Government have been engaging in meet and confers regarding the parties' subpoenas and Touhy requests. Plaintiffs and the Government met for an hour-and-a-half meet and confer on June 23. Sudan and the Government met and conferred on June 13 and 18, and agreed Sudan would follow up on those discussions in writing, which Sudan did by letter on July 9. Further discussions are anticipated. Sudan and Plaintiffs continue to confer regarding the parties' respective obligations. The parties and the Government uniformly agree that additional time is necessary for their ongoing meet and confers to determine whether there are any issues they need the Court to address.

The parties and the Government jointly propose that the Court set a further deadline for the parties to report on the status of their discussions, July 31, 2025, and the parties and the Government will propose in that letter a range of mutually convenient dates for a status conference thereafter.

The parties' request to provide the Court with a status letter by July 31, 2025, is GRANTED. The letter should include the following, as set out in the Court's Order at ECF No. 10999: the status of their meet-and-confer process regarding the parties' subpoenas; a proposal for a deposition protocol; and the PECs' discovery production to Sudan. The status conference previously set for July 21, 2025, is ADJOURNED. In their letter, the parties shall propose mutually convenient dates for a status conference prior to August 15, 2025.

**SO ORDERED.**
